

SSG PASS

testifying to the conformity of the factory production control

n° PASS0221

This attestation of conformity cancels and replaces the attestation n° PASS0026 of June 27, 2005

It is stated that the bonding process performed in the following factory:

POLYPANE Glasindustrie n.v. - T.T.S. Industriezone C – Nederlandstraat 5 – 9140 TEMSE - Belgique

is carried out and that it is submitted to a satisfactory factory production control procedure, in accordance with a prescribed test plan, in compliance with the requirements of Chapter 8 of European Technical Approval Guideline n° 002, parts 1 and 2 and of CSTB document n° 3488.

CSTB, a notified body under reference 0679 regarding the tasks related to the EC attestation of conformity for Structural Sealant Glazing Systems, has performed the initial inspection of the factory and the factory production control, and performs the continuous surveillance, assessment and approval of the factory production control.

This SSG PASS testifies that the components thus produced can be favourably admitted as part of the CE-marking of Structural Sealant Glazing Systems carried out under the responsibility of other manufacturers or façade plasterers.

Limit date of validity: June 28, 2015

Issued in Champs sur Marne, on June 28, 2010

Charles BALOCHE
Technical Director of CSTB
